WORK EXPERIENCE

Crowd Funding

Tare Zameen Par, Virtual

Internship • Jan 2022 - Feb 2022 (1 month)

Crowd Funding

Hamari Pehchaan, Virtual

Internship • Jan 2022 - Jan 2022 (1 month)

Digital Marketing

Muskurahat Foundation, Virtual

Internship • Jan 2022 - Jan 2022 (1 month)

I had to raise funds for the organization. So in order to do that I had to create a funding page and had to post about this each and everyday about this page on the twitter, Facebook, Instagram, Linked In. etc. I raised about 5000 rupees.

Social Work

Team Everest, Virtual

Internship • Aug 2021 - Aug 2021 (1 month)

I taught unprivileged children in this internship and learnt to open up. I felt happy to share my knowledge with others.

Social Media Marketing

Atypical Advantage, Virtual

Internship • Aug 2021 - Aug 2021 (1 month)

I was in a internship with Atypical Advantage which helps physically disabled people sell there products through and online platform. So we had to sell handmade Rakhi by those disabled people to others. I built the confidence to interact with others.

Social Work

Safecity Red Dot Foundation, Virtual

Internship • Aug 2021 - Aug 2021 (1 month)

I learnt about sexual harassment and violence in this internship. We had to gather information social violence and sexual harassment that other people had faced and were not reported on any news. I built the confidence to open up to people.

Teaching

For Organisation For Wildlife (OWL), Virtual

Internship • May 2021 - Jun 2021 (1 month)

I have taken Science and Mathematics online classes for 6th and 7th standard for a period of 1 month.

I have built up confidence to open up to other people and share my knowledge to others.

I have understood how to take responsibilities in life.

POSITIONS OF RESPONSIBILITY

I have been a DELEGATE in International MUN conducted by An International Organizations which includes Young Ignited Minds, Girl Up, Upasana, rejuvenation for adolescent and Tanmantra.

TRAININGS

Remote Sensing And GIS For Environmental Studies

Indian Institute Of Remote Sensing (IIRS) Dehradun, Online
Jul 2021 - Jul 2021

This was a short summer school program with IIRS in which we were taught about:

- 1) A view of solar system from Space- By Dr. Prakash Chauhan
- 2) Remote sensing: an overview & Image Interpretation- By Dr. Hina Pande
- 3) Geographic Information System (GIS)an Overview- By Dr. Sameer Saran
- 4) Application of Satellite Data for Disaster Related Studies: By Dr. Arijit Roy
- 5) Tsunami and its Impact on Coastal Zone- By Dr. D. Mitra
- 6) Geospatial Applications for Water Security- By Dr. S.P. Aggarwal
- 7) Geospatial Technologies in Agriculture & Soils By Dr. Suresh Kumar
- 8) Online active learning platforms for geospatial technology and its applications By Dr. Harish Karnatak

App Development Course

Robo Club, Delhi

Mar 2018 - Apr 2018

I learnt to build apps through MIT APP INVENTOR 2
We built a tracking app , which could track connected automobiles

A translator/Language Learning APP
and an app that helps you learn about space through 3d Models

The code was written in the form of building blocks like in 'scratch'

Robotics

NCrypt, Gurgaon

Mar 2012 - Oct 2016

I was working as a specialist in robot design and have been the part of the organisation for many years. We have conducted many events including robo wars where I was awarded the first position. It was a great opportunity working with them and was a great experience being the part of the team.

PROJECTS

Talim - Language learning/translator App

Jul 2020 - Oct 2021

Talim is a one point solution for people living in different regions of India who face difficulties in communicating during travelling. This app has a translator with text to speech feature and also gives u a free short course to learn the language.
